

R.E, D.T AND P.E

In R.E we will be focussing on "God and Creation" and looking at "Why we give and receive gifts at Christmas.

In DT, we will be looking at food and finding out where food comes from. We will also be learning skills such as measuring, cutting, peeling and chopping.

We will still have P.E lessons twice a week. Please can we remind you that your child needs to come to school wearing their full P.E kit which consists of a plain white t-shirt, school jumper/cardigan or hoody, plain black shorts/leggings or jogging bottoms and trainers.

P.E days for this half term are on Monday and Friday.

This half term we will be doing outdoor learning on a Wednesday afternoon. Your child can come to school wearing their P.E kit and will need wellies and a water proof.

HOMWORK

Please support your child in reading his/her reading book at home EVERY night. Please sign your child's book every time they read and ask your child questions about what they are reading to help develop their understanding of the text. Reading books will be changed daily once the reading record has been signed.

Spellings homework will be sent home on a Wednesday and should be learnt ready for a test the following Tuesday.

Please continue to use doodle at home. Doodle is a fantastic learning resource which will help build your child's confidence by creating personalised work programmes tailored to your child's strengths and weaknesses. It is designed to be used little and often so we advice going on for 1/2 an hour a day.

AUTUMN TERM

ALMOND
CLASS

Welcome to the Autumn Term

from

Mrs Eastham and Mrs Burrows and
Mrs Rigby.

Welcome to Almond class, children and parents as we begin a new school year. I look forward to getting to know the new children and parents in the class and helping your children settle into life in Almond class. If you have any questions, please don't hesitate to send me a message via class dojo.

Please do not hesitate to

contact us on: 01257 262625

ENGLISH

Our English is linked to our theme

Traditional Tales

- Reading traditional and alternative versions of traditional tales.
- Developing our story telling actions.
- Creating a love of writing
- Creating our own stories.
- Writing labels, captions, and comparing information.
- Checking our own work and independently working out ways to improve our work.

OUR CLASS TARGETS ARE

Reading - To be able to read with expression.

Handwriting - To form our letters correctly and beginning to join them.

Writing—To use finger spaces, capital letters and finger spaces.

Don't forget to bring your book bag and water bottle to school each day!

CONNECTED CURRICULUM

In Geography we will be Identifying the following physical features: mountain, lake, island valley, river, cliff, forest and beach. Know which is the hottest and coldest seasons in the UK Know and recognise main weather symbols.

In Science we will learn about everyday materials and seasonal changes.

In Computing we shall be developing a wide range of computer skills and begin our coding lessons.

In Art we will be using our painting and drawing skills.

We will also be busy enjoying completing our bucket list.
