### Year 6 SATS

A special well done to all our Year 6 children who have worked exceptionally hard this week and completed their SATs. We are all very proud of each and every child and we hope you all have a lovely relaxing weekend following a very busy week. Today the children have enjoyed going for a walk together and a picnic in the great outdoors.

A special thank you to all the children who have adapted to the little changes in school during SATS week.

## Message from EYFS

People Who Help Us!!

Our next topic is, 'People Who Help Us'! As part of this topic we invite people into school to speak to the children about their jobs and how their jobs help people. If you have a job that helps others, and you would be able to come in to speak to the children one day, please get in touch. We are very flexible with our timings and can work around you!

This topic will be starting on Monday 19th May and will continue after half term until Friday 6th June.

Thank you in advance.

## Water Safety Reminder

### EVERY YEAR PEOPLE DROWN IN LANCASHIRE

As temperatures rise, it's tempting to cool off with a swim in a river, canal, lake or reservoir. Lancashire Fire and Rescue Service is regularly called to rescue people who have got into trouble in the water.

#### WHAT ARE THE DANGERS?

- ⚠ There is no supervision.
- ⚠ The cold water temperature can claim your life in minutes - even if you are a strong swimmer.
- ⚠ It's difficult to estimate the depth of the water. It may be much deeper or much shallower than expected.
- ⚠ There are often no suitable places to get out of the water due to steep slimy banks or sides.
- ⚠ There is no way of knowing what lies beneath - there could be weeds, pipes, shopping trolleys, sharp metal or broken bottles.
- ⚠ Swimming in open water can lead to a variety of serious illnesses. There may be hidden currents. Flowing water or swimming in the sea can be especially dangerous.
- ⚠ Alcohol and swimming don't mix - perception and capability are both affected by drinking

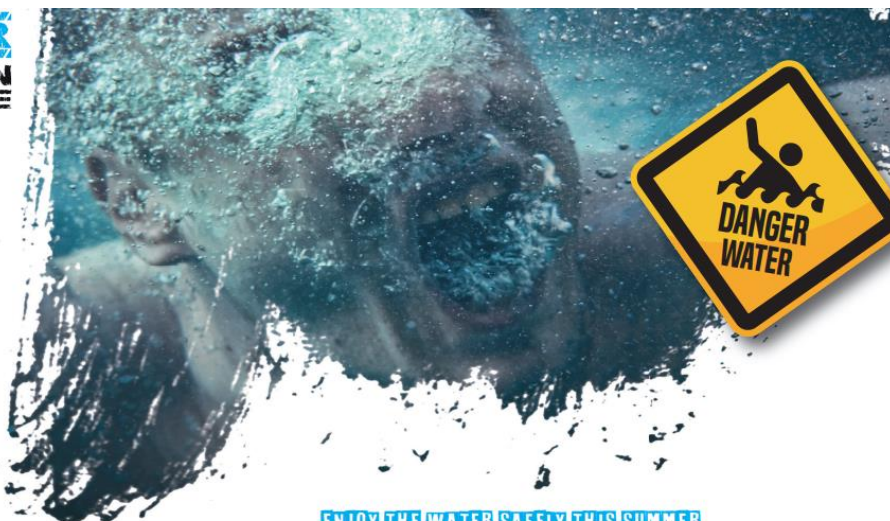

#### WHAT SHOULD I DO IF I SEE SOMEONE IN DIFFICULTY?

Alert someone, preferably a lifeguard. Dial 999 and ask for the fire and rescue service if you are at a river, canal or reservoir and ask for the Coastguard if you're at sea. Explain your location clearly and describe any landmarks.

#### ENJOY THE WATER SAFELY THIS SUMMER

- ✔ Swim somewhere safe, like the swimming baths.
- ✔ Obey the warning signs around reservoirs, lakes, canals, rivers and at the beach.
- ✔ Value your own safety first - jumping into the water to rescue pets or belongings can be highly dangerous.
- ✔ Know what to do in an emergency - ring 999 and explain your location clearly and describe any landmarks.
- ✔ Enjoy organised water sports in a safe environment - with the correct equipment and a qualified instructor.

## Reflection Time

Our value this term is service. Jesus taught about service throughout his life - leading a life of service himself.

Jesus tells this story of the Good Samaritan to teach us what it means to love our neighbour. One day a man was walking along the road and was suddenly robbed, beaten left hurting. One man passed by and ignored him, and then another. Later, a Samaritan man came upon him and stopped to help. Service is about helping others and no greater example than the Good Samaritan.

'Love your neighbour as yourself'  
Luke 10

Wishing you all a wonderful weekend.

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards, Miss Brown

# Chorley Football Development

At Southlands High School (Sports Hall)  
Clover Rd, Chorley, PR7 2NJ  
Starting on Thursday 15th May 2025

**In association with First Kick Football**

School years - Reception & Year 1

5:30pm - 6:30pm

School years - Year 2 & Year 3

6:30pm - 7:30pm

School years - Year 4, Year 5 & Year 6

7:30pm - 8:30pm

Dear parents,

Places are now available to join a new 12-week football course every Thursday at Southlands High School, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

## **\*\*NEW TOURNAMENT FORMAT\*\***

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.
