## Weekly Newsletter

15<sup>th</sup> May 2026

**Happy Friday!**

School has been noticeably quieter this week, and we don't have as much to report as usual. All classes have been working calmly and quietly in their classrooms to ensure that our Year 6 pupils could complete their SATs without interruption.

We would like to thank all the children for their cooperation and consideration throughout the week it has been greatly appreciated.

### Year 6 SATs

A special well done to all our Year 6 children, who have worked incredibly hard this week and successfully completed their SATs. We are extremely proud of each and every one of you and hope you all enjoy a well-deserved, relaxing weekend after such a busy few days.

Today, the children celebrated their efforts with an own clothes day and a day of sports activities, which was thoroughly enjoyed by all. The children also have lots of exciting things to look forward to for the rest of the academic year.

### Minute of Me Month

Every child in school will be given 1 minute in the month of June to tell their class something about themselves for example their hobbies or interests. The children can give their presentation in any format they wish to choose. Your child might like to make a power point, bring objects, photographs or drawings to support their 1 minute presentation.

### Year 6 Production – Gross Busters - The Monster Musical

The Year 6 Production will take place on Tuesday 7th July 2026 at 2pm and 6pm in our school hall. Our Year 6 Parents and Families are invited to book their tickets by following the link below to our parents evening booking system:

## People Who Help Us

After half term Reception will be starting their 'People who help us' topic. We would love to have some visitors come into school and speak to the children about how they help others within the community.

Examples - a police officer, chef, shop assistant, lollipop person, hairdresser, construction, gym instructor, athlete, farmer, transport officer, bus driver, road sweeper, vet, dentist, doctor, optician etc.

We would really appreciate your help to bring our learning to life for the children. If you can help in person deliver this topic or have a useful contacts or any questions please contact the Reception team or school office.

## Reflection Time

As we take time this week to reflect on a busy week we encourage every child to try their best each day — in lessons, friendships, sports, and acts of kindness. Trying your best does not mean being perfect; it means showing effort, perseverance, and a positive attitude, even when things feel difficult.

As we continue through the term, we are proud of the many ways our pupils show determination and kindness every day. By encouraging one another and never giving up, we can all achieve wonderful things.

***"Whatever you do, work at it with all your heart, as working for the Lord."  
Colossians 3:23***

Wishing you all a peaceful weekend!

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards  
Miss Brown
