

Friday 12th June 2026

During our Year 6 boys' weekend football event, the boys paused before playing to remember Cole. We are exceptionally proud of our boys for the dignity and respect they showed as they came together to honour his memory. It was a touching moment that demonstrated the strength of their friendship despite being in the year below Cole.

Cole will have been delighted to hear that the boys went on to win their game.

We appreciate your understanding and support during this difficult time.
Thank you.

Well Done

A huge well done to all the children in Year 4 for taking their Multiplication Tables Check this week. We are so proud of how hard you have worked to learn your times tables, and it is amazing that you have learned to recall them so quickly, especially as you only have 6 seconds to answer each question.

Also, a huge well done to Year 1, who have taken their Phonics Screening Check this week. You have all worked exceptionally hard, and we are incredibly proud of every one of you.

Well done, everyone!

Edge Hill Trip

On Monday 8th June 2026, our Year 1 children enjoyed a wonderful trip to Edge Hill University. During their visit, they had the opportunity to meet members of the BBC Philharmonic Orchestra, who retold the story of *The Gingerbread Man* through music.

One of our children was also given the exciting opportunity to lead the orchestra and conduct their performance, which they thoroughly enjoyed.

After the performance, the children enjoyed a picnic lunch before returning to school.

A huge thank you to all the parents and carers for supporting the trip, and to the staff and volunteers who helped make this memorable experience possible.

Mercy Ships

A huge thank you to Nina Smith, who kindly visited our school to talk to the junior children about Mercy Ships UK.

Nina is a dedicated volunteer speaker for Mercy Ships and shared how the charity provides free surgical care and medical support to people in some of the world's poorest countries. Through her engaging presentation, the children learned about the life-changing work of Mercy Ships and the positive impact it has on communities around the world.

We are very grateful to Nina for taking the time to visit us and inspire our children with her knowledge, enthusiasm, and commitment to helping others.

Olympic Visit

On Tuesday 9th June 2026, our children had the privilege of meeting Paralympic sprinter Michael Churm.

He put the children through their paces in the hall and spoke to them about his journey through life and competitive sport. The session was both inspiring and engaging, as he shared his experiences and achievements at elite level. The children then enjoyed a lively question-and-answer session, where they were able to ask about training, motivation, and life as a Paralympic athlete.

STEM Workshop

On Monday 8th June 2026, Year 6 took part in a vehicle engineering workshop led by Mr Gorton and two engineers from Go North West. During the workshop, the children designed and built their own moving vehicles, using electrical circuits to power them.

The children thoroughly enjoyed the hands-on experience and demonstrated excellent creativity, teamwork, and problem-solving skills throughout the day. They were extremely proud of their finished creations and enjoyed seeing their designs come to life.

A big thank you to Mr Gorton and the engineers from Go North West for providing such an engaging and inspiring STEM experience for our children.

Minute of Me Month

Every child in school will be given 1 minute during this month to tell their class something about themselves for example their hobbies or interests. The children can give their presentation in any format they wish to choose. Your child might like to make a power point, bring objects, photographs or drawings to support their 1 minute presentation. Well done to the children who have already completed their minute of me!

Don't forget to share a photograph with us.

Reflection Time

In our reflection this week, we have learnt about the Roman centurion who came to Jesus for help. Although he was an important leader, he showed wisdom through his humility, compassion, and trust in Jesus. Jesus praised him for his great faith.

We encourage our children to grow in wisdom by trusting God, caring for others, and showing humility in all they do.

"For the Lord gives wisdom; from his mouth come knowledge and understanding."

Proverbs 2:6

Wishing you all a peaceful weekend!

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards

Miss Brown
