
Friday 26th June 2026

Welcome to the weekend! It has been a very hot week in school, but that hasn't stopped the children from keeping busy with lots of fun activities, exciting experiences, and wonderful learning opportunities.

Year 6

On Monday 22nd June 2026, Year 6 had a wonderful time visiting the cinema to watch the new *Toy Story 5* movie. It was a fantastic opportunity for the children to celebrate all of their hard work, effort, and achievements throughout the year.

The film was also a brilliant choice for the children to watch as it highlights important messages about friendship, change, growing up, and the importance of valuing the memories and relationships we make along the way. It also provided a great opportunity for discussion around the challenges children face today, including the impact and potential negative effects of social media, and the importance of using it safely and responsibly.

A huge thank you to all of the parents and carers for supporting this trip, and to the staff and volunteers who helped make this special experience possible.

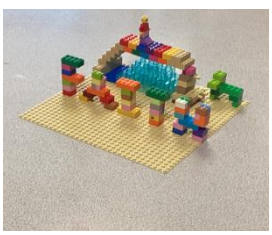
PGL

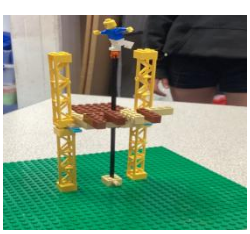
A large number of Year 6 children have also had a brilliant time on their residential trip this week. Despite the high temperatures, the children have thoroughly enjoyed themselves and have taken part in a fantastic range of activities and experiences.

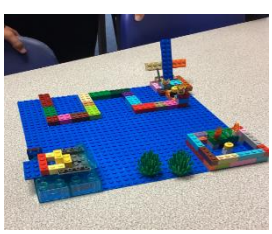
It has been wonderful to see the children developing their independence, teamwork, resilience, and confidence throughout the trip. More details and photos will follow in next week's newsletter.

RE

Last week, Year 6 used their creative minds to answer a big question in RE: 'What does it mean to be a person of faith?' It was wonderful to see different groups represent their answer in different ways. One group created a bridge to represent the idea that faith is the bridge between a person and God. Well Done Year 6 - you really worked hard to think creatively to answer a big question.







TriKidz

This week, the children enjoyed taking part in the fantastic Trikidz event on the school field. It was a brilliant opportunity for the children to challenge themselves, stay active, and develop their teamwork, resilience, and determination.

Our KS1 children took part in a mini Trikidz event and proudly completed the activities, earning a special medal for their achievements. KS2 took on the full Trikidz challenge, showing fantastic effort and enthusiasm throughout, and celebrated their success by receiving a Trikidz special medal.

It was wonderful to see so many children getting involved, supporting each other, and embracing the challenge with such positive attitudes.

A huge thank you to TriKidz for organising this.

Kiddos Engineering

On Tuesday 23rd June 2026, Elm Class and Elder Class enjoyed taking part in a Kiddos Engineering Workshop. During the workshops, the children built their own robots and developed many STEM skills. Elm Class were also assisted by some very kind Year 6 boys, who supported them throughout the activity.

In the Autumn term, Kiddos Engineering will be running an after-school club. Further details will follow soon.

A Special Act of Kindness

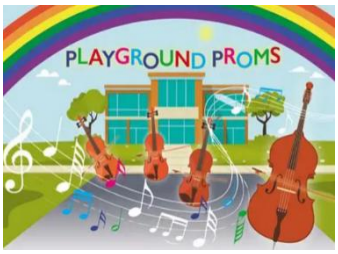
A huge thank you to the Sharples family, who kindly treated the whole school and staff team to an ice lolly on not only Wednesday, but also Thursday and Friday.

This was an exceptionally kind gesture, and the whole school community is extremely grateful for their generosity. Thank you for helping us all keep cool and making everyone's week a little brighter!

Playground Proms

This week, the whole school took part in a singing practice and music rehearsal in preparation for our Playground Proms event. The performance with a range of musicians will take place before our 100-year picnic celebration in school.

We are looking forward to celebrating this wonderful milestone together as a school community!



Sports Day

Bottle Donations

A huge thank you to all our families for your kind donations of bottles, which will be used for a stall at our Year 6 production. The money raised will go towards supporting exciting future activities and opportunities for our children in school.

We really appreciate your generosity and continued support!

Minute of Me Month

Every child in school will be given 1 minute during this month to tell their class something about themselves for example their hobbies or interests. The children can give their presentation in any format they wish to choose. Your child might like to make a power point, bring objects, photographs or drawings to support their 1 minute presentation. Well done to the children who have already completed their minute of me!

Year 6 Production – Gross Busters - The Monster Musical

The Year 6 Production will take place on Tuesday 7th July 2026 at 2pm and 6pm in our school hall. Our Year 6 Parents and Families are invited to book their tickets by following the link below to our parents evening booking system:

https://stpeterschorley.parentseveningsystem.co.uk

CAN YOU DONATE?

If any families can donate

HELMETS your children have out grown

or

BALANCE BIKES you no longer require

Your donations help more children enjoy safe, active play and build confidence while they learn and grow.

WE WOULD BE VERY THANKFUL!

Thank you for supporting our little community.

Benefits of Forest School

Physical: Builds gross and fine motor skills, improves strength, coordination, and agility, while also boosting stamina and overall health.

Cognitive & emotional: Encourages creativity and problem-solving through hands-on learning. Builds confidence by taking safe risks and exploring nature. Sparks curiosity, supports mental well-being, and inspires a love of learning.

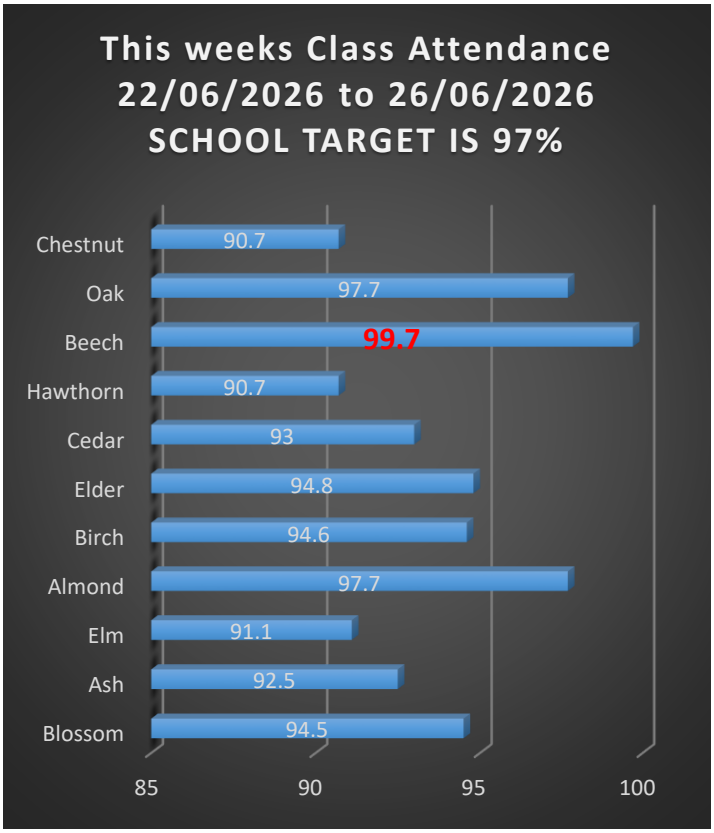
Social & emotional: Helps children work together, share, and communicate. Build social skills, empathy, and a sense of community.

St Peter's Primary School, Eaves Lane, Chorley, PR6 0DX

Supporting a St Peter's Family New Business Adventure

Merit Winners

Every week one child from each class gets their name in the 'Golden Book' for excellent effort and hard work. This week, the children who received a merit certificate are:



Reading Rucksack *"I'm wondering what to read next."*

Matilda, Roald Dahl

The Reading Bears are looking forward to going on new adventures.
Don't forget to share a photograph with us.

Reflection Time

In our reflection this week, we heard how Jesus healed a paralysed man. The man's friends showed great faith by bringing him to Jesus, even lowering him through the roof when they could not get through the crowd. This story reminds us that faith, friendship and perseverance are important. Just as the friends helped the man reach Jesus, we can help and support one another every day.

"Jesus said to the paralysed man, 'Get up, take your mat and go home.'"
Mark 2:11

Wishing you all a peaceful weekend!

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards

Miss Brown

'Let your light shine'
