Welcome to the Summer Holidays!

A huge CONGRULATIONS to all our children on an incredible academic year. We have loved watching each child flourish over the year and achieve their personal goals and at times even surprise themselves. A few special highlights this term were seeing everyone compete on Sports Day, Year 5 Residential, Year 6 PGL, reaching the Choir Finals and placing 3rd overall in Lancashire for Dance. The list could go on! We are extremely thankful for the continued support from our families and the St Peter's community.

A special thank you to all the staff who have all worked extremely hard this academic year and like the children are ready for their well-deserved break.

Thank you also to our Governing Body who has guided our school through the academic year with their strategic decision making. Thank you also to our dedicated school volunteers who make a huge difference to our children's lives at St Peter's.

Year 6 leave us today we are so proud of each and every one of them and hope that they will treasure their memories of St Peter's as they journey through life. A year group full of fantastic personalities and children with a vast array of personal talents. As a cohort they did

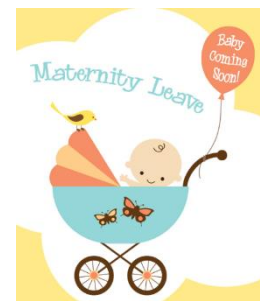

well in their SATS and we were delighted to see that all their hard work paid off. We will miss each and every one of them and wish them every success and happiness as they embark on their high school adventures. We look forward to hearing of the children's successes in the future. This is your time Year 6 to find your wings and fly high and remember all your happy St Peter's moments!

We also have to say good bye and thank you to Miss Lavelle who has been with us at St Peter's as our SENCo this year. We are thankful for all the support she has given to our children and families. We have enjoyed having Miss Lavelle at St Peter's and wish her every success and happiness for the future. Mrs Neal also leaves us today. We have enjoyed having Mrs Neal with us this academic year working with Ash Class and supporting the children in their first year at St Peter's. We will miss Mrs Neal but wish her every happiness for the future.

Miss Walsh also leaves us today to embark on her maternity leave, we will miss Miss Walsh but wish her every happiness as she starts her maternity leave. We look forward to hearing about the safe arrival of the baby.

During the summer holidays Miss Blackburn will be getting married to Ian. We are all very excited about Miss Blackburn getting married as it is something she has always dreamed of. Fingers crossed the sun shines down on their very special wedding day and we look forward to welcoming back Mrs Tillotson and seeing their wedding photographs in September.

Year 6 Leavers Service

On Monday our Year 6 cohort attended St Peter's Church for their Leavers Service led by Father Cornelius Asghar. A huge thank you to the children's families who supported the special occasion. It was a beautiful way to pause and reflect before our Year 6's leave us for high school. A special well done to all the children who read during the service.

School Timings for September

In September doors and gates will open for the whole school at 8:45am for an 8:55am start. Please note gates will close in September at 8:55am and after that time, any late children must report to the main office.

Please try not arrive prior to 8:45am to minimise the number of people on the playgrounds.

Please remember school is not responsible for children prior to school opening and after closing.

The school day will end at 3:20pm for all children.

Please do not arrive too early to collect children as the children will be using the yards for PE lessons.

READING CHALLENGE -VISIT CHORLEY LIBRARY THIS SUMMER!

Following on from the success of the Reading Heroes last Summer, Lancashire Libraries are doing a similar challenge this time. This year it is Reading Heroes in Portal Peril, with the villain being Blurb the Alien.

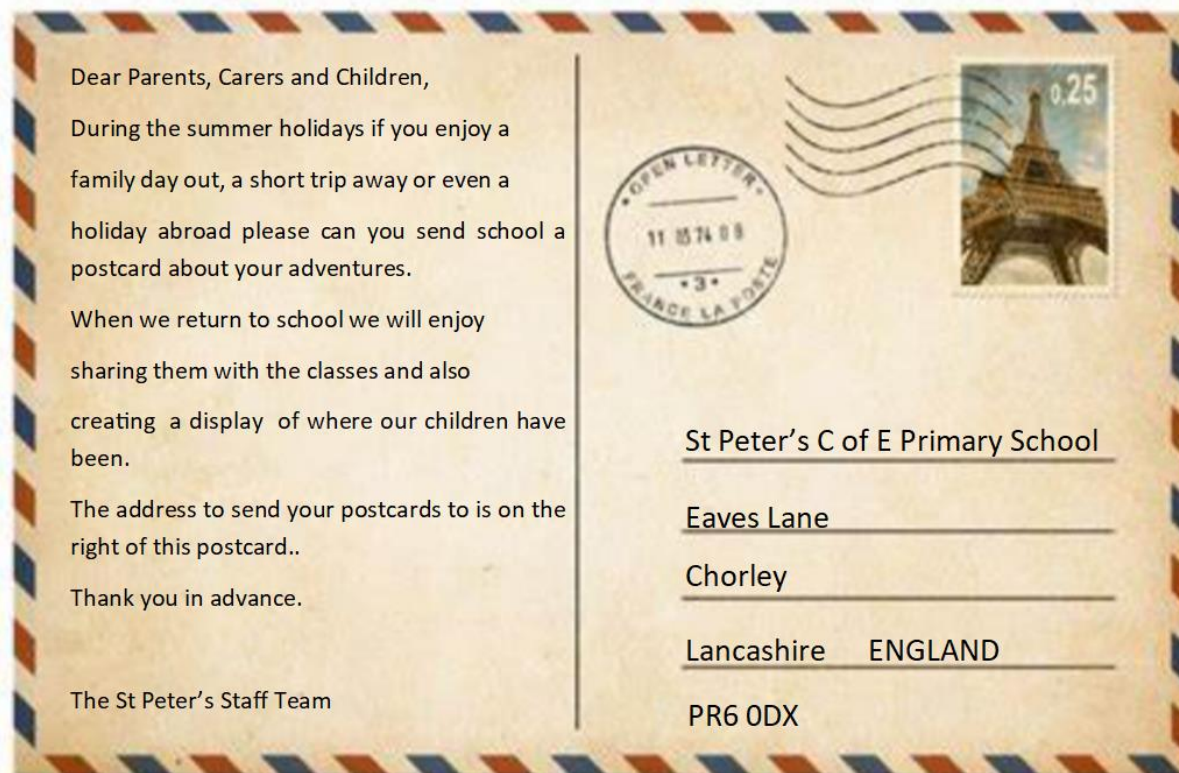

Children will receive a booklet with a comic strip in the centre. They will need to read 2 and 5 books to receive stickers. When they have read 5 books, they will then become a Reading Hero and receive a snap bracelet and mini brick spaceship.

There are also challenges to complete, when 3 are completed, the child will become a Superhero and be entered into a prize draw to win £50 of Lego.

There is also a drawing competition to create an invention to put books back on the shelf in the library. The winner will receive a £50 Lego kit.

Lots to keep you busy and also reading over the summer holiday!

Reception Worship

A special thank you to all the children and staff team in Blossom Class and Ash Class who led our whole school worship. The children were all very brave and clearly explained our Christian Values. We particularly enjoyed meeting the 'Respectables' and the whole school loved dancing to their theme tune. Well done children and we can't wait to see what you achieve in Year One. A huge thank you to all the family members who supported the children during their worship.

Forest Schools

During the final visits to the woodland this term children have enjoyed learning about how to build fires and of course how to make the perfect 'SMORE'.

Reflection Time

As we reflected on the year, we look back to see the challenges we have faced and overcome, the surprises and the amazing things we have achieved. It may not have been easy, but our faith will have guided us throughout everything this year. In some way every member of our school family will have 'let their light shine' in ways unique to them.

As we wish our Year 6 children farewell may they continue to let their lights shine brightly.

'Let your light shine before others, that they may see your good deeds and glorify your Father in heaven.'

Wishing you all a wonderful Summer Holiday!

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards

Miss Brown
