Welcome to the weekend!

Year 6 Production – Gross Busters - The Monster Musical

Congratulations to our Year 6 children for two fantastic productions on Tuesday 7th July 2026. They performed with confidence, enthusiasm and plenty of humour, and it was clear how much hard work had gone into preparing the show. Thank you to all the staff and volunteers who supported the children and to the families who came along to watch. One of the biggest laughs of the afternoon and evening came when some of the parents unexpectedly ended up getting soaked with water, a moment that certainly added to the fun! It was a wonderful way to celebrate the end of Year 6 and a performance that everyone involved should be very proud of. A special thank you to the staff and kind volunteers who made the whole performance possible.

England

At the start of the school day on Monday 6th July 2026, the whole school came together in the hall to watch England's World Cup match, creating a truly memorable occasion. The atmosphere was electric as pupils and staff proudly sang along to football anthems and cheered every exciting moment on the big screen. A particular highlight was our Year 6 pupils, who took turns on the drum to keep everyone chanting together in perfect rhythm, helping to create an incredible sense of unity and school spirit. It was fantastic to see every year group sharing in the excitement, supporting England together and making memories that will last long after the final whistle. Fingers crossed for Saturday evening when England play their next game.

Sports Day

On Friday 3rd September 2026, we held four fantastic Sports Days on the school field. Thankfully, the weather was on our side, and every child performed exceptionally well throughout the day. The children took part in a variety of events, with points awarded for each activity. While everyone enjoyed their sprint races, the highlights of the day were undoubtedly the parents' race and the ever-popular toddler races, which were a huge hit with the crowd!

We are incredibly grateful to all the parents, grandparents and family members who came along to cheer on the children. A special thank you goes to Mrs Jennings, Miss Heaton and Caitlin, who worked alongside our Year 6 pupils to organise such a successful event.

Congratulations to all of our individual winners, and thank you to everyone who made the day so memorable. There are many more photos available on ClassDojo and the school website.

We wish him every success for his next competition!

Maths Competition

On Tuesday 7th July, our team took part in a fantastic maths competition. The children performed brilliantly and were a real credit to the school. Although we didn't win, it was a very close competition, with only a few points separating the teams.

Thank you to all the parents and grandparents who came along to support the children, and to the staff who gave their time to organise the event and prepare the team. We are very proud of everyone who took part.

New Starters

Over the past two weeks, our Reception team have thoroughly enjoyed meeting our new starters for September. Last week, we welcomed the children and their parents and family members for a brunch in the woodlands, giving everyone the opportunity to get to know one another. This week, the children confidently stayed on their own to play and explore their new surroundings.

We can't wait to welcome them all in September as they become part of our special school community.

Faith Awards

This week's Faith Awards have been presented to four deserving children who have truly demonstrated our school values.

Congratulations to **Archie** (Cedar Class) for his beautiful Bible reading at his sister's christening. He read with confidence and reverence, making the occasion very special.

Congratulations also to **Isla** (Cedar Class), who showed outstanding kindness and compassion at a recent sporting event. When another child fell and was unable to continue, Isla stopped to help them reach the finish line, despite being on a different team and sacrificing her own finishing time.

Finally, well done to **Seth** and **Isla** (Oak Class), who went above and beyond during Sports Day. They demonstrated exceptional sportsmanship by running countless extra steps to encourage and support younger children, helping them across the finish line during their events.

We are incredibly proud of all four children for living out our Christian values through their kindness, courage and selflessness.

Reflection Time

In our reflection this week, Jesus walks on the water to his disciples during a storm. At first, they are frightened, but Jesus reminds them not to be afraid. Peter bravely steps out of the boat to walk towards Jesus. As long as he keeps his eyes on Jesus, he is able to walk on the water. When he begins to doubt and looks at the waves instead, he starts to sink, and Jesus reaches out to save him.

This story reminds us that Jesus is the source of our hope. When life feels difficult or uncertain, we can trust that Jesus is always with us, helping us to be brave and giving us strength. By keeping our hearts and minds focused on Jesus, we can grow to be more loving, kind, courageous and faithful every day.

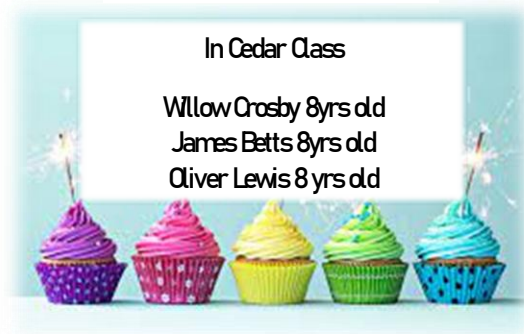

"Take courage! It is I. Don't be afraid."
Matthew 14:27
