Weekly Newsletter

7th October 2022

Happy Friday! It has been a busy week here at St Peter's but we are exceptionally proud of how hard the children and staff have worked all week. We hope you all have an enjoyable and restful weekend.

U Develop

U Develop joined us in whole school Worship last Friday to discuss the topic of Climate Change. They even showed us a video of all the incredible things which are taking place in Lancashire to slow down Climate Change and how we can help at home. Year 5 then enjoyed a workshop with U Develop and worked in groups to create their very own podcasts about Climate Change. We were extremely proud of all our new podcasts.

School Council

Over the past few weeks the children have been busy campaigning to be on our school council. This week the children enjoyed visiting the polling station to vote for their class school council representatives. Well done to all the children who put themselves forward to be on the school council and a special, congratulations to the children who gained positions. We shall share a list of the new school council with you in next week's newsletter.

Caught on Camera Learning

Number Day

On Wednesday our Reception class children thoroughly enjoyed their number day. It was made even more special as they were joined by their parents and carers for a number breakfast. A huge thank you to the parents and carers who attended and for your creative number dressing ideas. The children in Reception have had a wonderful week learning about numbers.

Harvest

Reverend Rebecca led us in our Harvest Worship this week in school. Cedar Class then carried all our harvest donations to church ready for the Harvest Services in church. The donations will then be given to the local charities in much need of donations.

Wild Outdoors

Our children from Year 1 to Year 4 had a wonderful time this week in our woodlands developing their understanding of fire safety and how to create sparks from rope fibres.

National Trust

Fancy a walk on the wild side to experience some of autumn's great spectacles? Or perhaps there's a historic place with a story you've yet to discover? With plenty of places that make for a great day's exploring (even if it's welly weather) you can start planning your adventure today. For a limited time, you can claim a free visit and escape into autumn.

Reflection Time

This week our reflection has been focussed on harvest and thanking God for his gifts. We have come together as a school family and brought gifts to share within our community. It is this time of year that we offer extra thanks for all the food that we can share with one another. We are thankful to our school family for the gifts brought into school and these will be shared within our community. Our faith in action has been lived.

'The Lord will indeed give what is good and our land will yield its harvest'
Psalm 85:12

Faith Award

This week our Faith Award is awarded to Luke in Oak Class for showing incredible sportsmanship at the school football tournament on Thursday evening.

Wishing you all a wonderful weekend!

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards

Miss Brown
