## Weekly Newsletter

30<sup>th</sup> September 2022

We are extremely proud to announce that we have been awarded a highly-regarded award for the quality of our science teaching and learning. We have been rewarded the Primary Science Quality Mark Gilt Award - the highest level available. The Primary School Quality Mark (PSQM) programme ensures effective leadership of science, enables schools to work together to share good practice and is supported by professional development led by local experts. Schools that achieve PSQM demonstrate commitment and expertise in science leadership, teaching and learning. A special thank you must go to Mrs Mews who leads Science across our school and lead us to success for this award. It is a significant achievement especially when you consider we have been teaching through a pandemic.

### Bedtime Story Day

Our Infants thoroughly enjoyed coming to school in either their pyjamas or comfy clothes on Wednesday. They loved having the opportunity to share their favourite bedtime stories. It is wonderful to see children's love of reading developing. Reception were also joined by their Year 6 buddies for story time.

### Year 1 Phonics Workshop

A huge thank you to all the parents and carers who attended the Year 1 Phonics Workshops on Thursday evening. We hope you found the workshops useful. If you have any questions, please do not hesitate to ask your child's class teacher.

## Caught on Camera Learning

## Harvest

A huge thank you for all your kind and generous donations to our Harvest Appeal. We have been overwhelmed by your kindness. The donations will be taken to church in preparation for the Harvest Service and the church community will kindly distribute them to local charity food banks.

## Wild Outdoors

Our children from Year 1 to Year 4 had a wonderful time this week in our woodlands developing their understanding of shelter building and building their very own shelters.

## PALS Training

Chorley Sports Partnership delivered PALS training to the whole of Year 5 on Thursday. This is a scheme which trains the children to become a PAL (Playground Activity Leader) so that they can lead fun games and activities with the infant children. They learnt all about what being a good leader entails and worked with a group to lead a fun playground game with their friends. They are all looking forward to visiting the infants to try out their new skills.

## Reflection Time

Our reflection this week with Reverend Rebecca was focussed on a Bible verse in Matthew's Gospel. Our value of peace was at the forefront of his teachings, and he didn't want us to spend time worrying. Jesus said that God would give us what we needed and it is important to focus on things that are of great importance - to care for one another and to live in peace.

"Don't worry... your Father in heaven takes care of them!"  
Matthew 6.25

Wishing you all a wonderful weekend!

Take care and stay safe and remember you are always in my thoughts and prayers.

Kind regards

Miss Brown
